7200 45th St.
Chevy Chase, MD

Who needs to attend: At least one Parent and Scouts eligible and interested in attending T-255's 2006 Northern Tier High Adventure. Minimum eligibility criteria are First Class rank and age 13 by the date of the trip.

What will be discussed:

1. How to allocate the 16 slots that T-255 has reserved;
2. Whether there is enough interest to consider a third crew;
3. Side trips, if any;
4. Costs and finances;
5. Logistics;
6. Volunteers and their duties.

What to bring: At check for \$250 to "BSA T-255." Payment to Northern Tier of \$600 has already been made, and a payment for \$2000 is due October 1, 2005.

The T-255 payment schedule is as follows:

	Scouts	Adults
September 15, 2005	\$250.00	\$250.00
April 18, 2006	\$350.00	\$500.00
May 16, 2006	\$300.00	\$300.00
Total Payments	\$900.00	\$1,050.00

Payments to Northern Tier are non-refundable and non-transferable.

In addition, after the trip in September 2006, there may be a required reconciliation payment due to unexpected expenses, changes in fees and fares [think airfares and fuel costs], and exchange rate differences. Different rates are applicable to Scouts and Adults, different trips, and different individual requirements.

Philmont 2007: T-255 intends to enter the BSA Philmont High Adventure Lottery this October for 2007 reservations. To give me an idea of how many crews to request, a sign-up sheet will be posted at this meeting.
