

LENHOK'SIN HIGH ADVENTURE CAMP

If there is enough interest from Scouts and parents, T255 will hold a second one week high adventure camp in summer 2006. This will take place at Lenhok'sin High Adventure camp which is located in the Goshen Scout Reservation in SW Virginia. Tentative dates are the w/c Sunday July 9th or July 16th. Camp fees in summer 2005 were \$310 per Scout with discounts if the fees were paid ahead of time. As of writing we are waiting to hear about the availability of dates and costs for summer 2006. A minimum of 6 Scouts and 2 leaders are needed to make this happen (max. of 10 Scouts and 2 leaders per group).

All participating Scouts must be aged 13 years or have completed 8th grade by the date of the camp. A Class 3 medical form completed by a physician within the last 12 months of the camp date is required.

The camp makes use of the 5000 acres of the Goshen Scout Reservation and also some 35000 acres of surrounding state wildlife game lands. There are over 50 miles of trails which offer a real mountain top experience and there are also opportunities to select outposts – these include

- **Foxfire – blacksmithing, woodworking, bone carving, candle dipping**
- **Native America – period style archery and lacrosse**
- **Mountain Man – shooting a black powder rifle, throwing tomahawks and knives**
- **Lumberjack – tree climbing using gaffs and a belt, throwing axes, two man sawing**
- **Wagon Trail – horse round up, saddle up and riding, lassoing, wagon train**
- **Kayaking on Lake Merriweather**
- **Rockclimbing / Mountain Biking / Orienteering, first aid, tracking.**

If you wish to do this camp please contact Mrs. Mciver-Bundy or Mr. Pierce.
