

T-255 lost its lottery bid for a High Adventure to Philmont in 2007. At this time (January 2007) T-255 intends to retain our spot on the waiting list. However, the odds are not good. If T-255 does not get confirmed by December 2006, T-255 will enter the 2008 Philmont lottery.

If T-255 has not moved up on the waiting list by September 2006, we will have a meeting with the Scouts and interested parents to decide on an alternative, T-255 designed, High Adventure.
