

T-255's 2006
LENHOK'SIN HIGH ADVENTURE CAMP

T255 will hold a second one week high adventure camp in summer 2006. This will take place at Lenhok'sin High Adventure camp which is located in the Goshen Scout Reservation in SW Virginia. T-255 is reserving 1 crew (10 Scouts maximum). Messrs. Rose and Tillman are the lead adults. They have led at least 4 previous Lenhok'sin crews.

The camp makes use of the 5000 acres of the Goshen Scout Reservation and also some 35000 acres of surrounding state wildlife game lands. There are over 50 miles of trails which offer a real mountain top experience. The program includes participation in select Outposts. These Outpost experiences are considered superior to those offered by Philmont, as Scouts have more opportunity to participate than at Philmont. The Outposts include

- **Foxfire** – blacksmithing, woodworking, bone carving, candle dipping (This was voted the favorite outpost by T-255's 2002 Lenhok'sin crews).
- **Native America** – period style archery and lacrosse
- **Mountain Man** – shooting a black powder rifle, throwing tomahawks and knives
- **Lumberjack** – tree climbing using gaffs and a belt, throwing axes, two man sawing
- **Wagon Trail** – horse round up, saddle up and riding, lassoing, wagon train
- **Kayaking** on Lake Merriweather
- Also, **Rockclimbing, Mountain Biking, Orienteering, First Aid, Tracking.**

When: July 9 through July 16, 2006.

Who is qualified: 1st Class or above Scouts must be aged 13 years or have completed 8th grade by the date of the camp. A Class 3 medical form completed by a physician within the last 12 months of the camp date is required. Messrs. Rose and Tillman must approve a Scout's participation.

Costs: \$385 payment by May 2, 2006; \$395 for post May 2, 2006 payment

Payment includes camp fees, transportation, crew flags and Lenhok'sin required maps. Does not include Sunday lunch, snacks, souvenirs and other individual expenses.

Please make checks payable to "Troop 255 BSA." For further information, please contact Joe Tillman. Email joe.tillman@fhwa.dot.gov or Tel. 301-589-0538.
