are made in advance (please supply here):

Introduction to Chevy Chase's BSA Troop 255

Boy Scouts can provide boys with great opportunities for learning practical life skills and having fun outdoors. This is done in the context of a program that builds character and moral strength, and fosters leadership and citizenship. T-255 invites prospective Scouts and their families to come and observe our troop in action, both at regular meetings and on selected campouts

Who are we? T-255, at 66 years, is one of the oldest Boy Scout troops in Montgomery County. It is chartered by the Chevy Chase United Methodist Church at 7001 Connecticut Avenue, Chevy Chase, MD, but is open to all boys interested in the outdoors, adventure, great friendships, service to the community, independence, learning new skills and leadership. Members of various Christian, Jewish and Muslim faiths are members of the troop.

What do we do? Every troop has its own focus and character. T-255's focus is on outdoor camping and hiking and fun. Our monthly campouts vary every year, depending on what the Scouts decide. Past trips include hiking, biking and camping on the C&O Canal, hiking and camping on the Appalachian Trail in Maryland and Virginia, hiking and camping Dolly Sods and Old Rag Mountain in glorious sunshine, ice storms and snow, attending Pumpkin Chunk'n, spelunking caves, and ski trips. Younger Scouts, as they acquire the necessary skills and maturity, can look forward to participate in week-long High Adventure camps. Recent High Adventures include 70+-mile hikes at Philmont, New Mexico, 50+-mile canoe trips in Manitoba, Canada, kayaking the Florida Keys, and hiking Zion Canyon's slot canyons and crossing the Grand Canyon. Weekly meetings are focused on acquiring the skills to participate on the trips, planning their responsibilities for the next month's trip, and rank advancement.

T-255 offers away summer camps at prices that are a fraction of for-profits.

Who is eligible? All boys who will be 11 or older, or in 6th grade by Fall, through 18, are eligible. If you know of a boy who may be interested, have him check us out.
