

Gettysburg Battlefield & Remembrance Day Campout **Saturday November 17 & Sunday November 18, 2007**

T-255's November Campout

Where: "Gettysburg, Pennsylvania was the site of the largest Civil War battle ever waged in the Western Hemisphere. The Battle of Gettysburg opened on July 1, 1863 and closed two days later with the climactic "Pickett's Charge". It resulted in a Union victory for the Army of the Potomac and successfully turned back the second invasion of the North by General Robert E. Lee's Army of Northern Virginia. Over 51,000 soldiers were killed, wounded or captured making it the bloodiest battle of the Civil War. It was also a major turning point in the war. Historians have referred to the Battle of Gettysburg as the "High Water Mark of the Confederacy." It was the last major effort by Lee to take the fighting out of Virginia and into northern states. The Soldiers' National Cemetery at Gettysburg contains more than 7,000 interments including over 3,500 from the Civil War. It was here that President Abraham Lincoln delivered his immortal Gettysburg Address on November 19, 1863." (National Park Service intro)

This campout will coincide with Remembrance Day – the annual memorial celebration of President Lincoln's deliverance of the Gettysburg Address. There will be hundreds, maybe thousands of re-enactors in period costumes – many on horseback. Events include a parade tracing Lincoln's path from the town train station to the National Cemetery and an illumination in the evening, in which candles are placed at each grave in the cemetery. Our Troop will help with the candle placement and cleanup. We will be camping at the Artillery Ridge Campground near Little Round Top, site of much fierce fighting. Most of the horse units and many re-enactors will also be staying at this campground.
